Freehold Mediation & Information cooperate and benefit from the knowledge of the world class companies and entities who look at the real estate business from different perspectives; such as the legal, financial and investment, consultancy, mediation, mortgage, management and maintenance services angles.

Using our group creativity, knowledge and experience we have become a one-stop shop by gathering all elite services from top service providers. We combine all services into one package and provide a solution tailored to the requirements of all people with onhold investment through consultancy and information.

#### In Conclusion:

- on We evaluate the current situation of the client.
- 02 We identify possible directions in a solution to their situation.
- os We then facilitate each direction.

All information contained in this document is private and confidential.
